Student Program Withdrawal Form

This policy applies to students who wish to permanently and completely withdraw from all enrolled diploma programs without intention to return. Students wishing to apply for a *Course Withdrawal* or a *Leave of Absence* should fill out different forms. If you wish to withdraw from your enrolled program, we strongly advise that you discuss this with the Academic Dean or other administrative staff. OCTCM is committed to you as a student, and we want to support you in completing the program. If you still wish to withdraw, please complete this form and return it to the Admissions Office (or by scan, email, or fax). The student's signature must be present.

Please refer to the Course Withdrawal Policy in the OCTCM Academic Catalogue & Student Handbook for complete details. Refunds will be applied as per the Refund Policy. There is a \$100 administrative charge for all course withdrawals.
